

Dear Readers

Mr Ark and Mrs Laura Jadczyk..... (Also known as the Cassiopaedians) in collaboration to their cult members..... Have littered the internet with lies and defamatory postings, concerning Francesco Fucilla his family, associated companies, Academies and associates. In order to discredit and inflict irretrievable damage to the Fucilla family, associates, friends, business partners, associated companies and shareholders of the said.

One may say, what would motivate someone to put so much effort in destroying the life of others!?!? Well.....The motivations for such an energetic defamatory campaign were triggered by simple jealousy and vendetta. It all began on the 20th of March 2012, soon after the Telesio Galilei Academy awards in Toulouse.

WHY!? READ ON.....

For the Vendetta, Mr Ark and associates used old published criminal lies written by an ex-employee as far back as 2009. The criminal slandering by the ex-employee began years ago soon after he was removed from the Telesio Galilei Academy of Science and from Steriwave Plc. The motivation for his removal was due to a campaign of extortion, intimidation and blackmail in order to obtain cash illegally from the company, and for refusing to correct scientific publications proven to be severely erroneous, by other members of the Telesio Galilei Academy. My family has suffered financial damages, and our lives have been made hell at their hands, due to the lies spread over the internet and the public slanders. The ex-employee attempted to extort money from my company following his dismissal, by way of intimidation and blackmail. Today the criminal slanderous legacy has been inherited by Mr Ark and Laura Jadczyk and the Cassiopaedians. Please note that I have gone to court in order to see justice, and I have reported them to the Police worldwide with no avail, for they operate from many different parts of the world hence making the task of seeing justice very arduous and complex. Even when I have publically offered the Cassiopaedians to come to my office and home, and do a full diligence on all my life activities..... (In order to certify that the companies I serve, are the most CLEAN, honourable and transparent companies in the world) my offer was rejected, and the criminal campaign continues!! In fact, the slanderous campaign has increased since then!!

WHY!?

http://telesio-galilei.com/tg/images/stories/documents/Academy_News/the%20real%20mr%20jadczyk.pdf

The Cassiopaeadians cloned some of my YouTube videos, they took control of some of our websites, they have intercepted my emails and criminally reworded and sent out to associates around the world, with devastating consequences to my life. Recently IL Sole 24 Ore newspaper (incredibly as it may sound) has taken an interest in all this nonsense and released an article on it. I replied to that article pointing out that it was all wrong and defamatory and the only reply I got was“YOU POOR MAN..... YOU ARE SICK!? “. I invited the newspaper IL Sole 24 Ore to come to London to do a full diligence on my life and companies I serve, and never got a reply.

Going back to the CASSIOS.....These guys wants you to believe I deceive people of their savings, but my endless calls to bring forth 1 single person that can offer such evidence, they remain silent!!

Then one must ask “WHY IS FUCILLA BEING ATTACKED!?!? “ In the case of the cassios, we know it is a vendetta, we also know that in the case of the ex-employee it is a vendetta but why would a newspaper invest huge resources in what is so transparently clearTOTAL NONSENSE !? “

TGA's only intent is to promote science!! TGA awards people that have dedicated their life to science and enriched the human spirit!! SO WHY SUCH AN ENERGETIC WITCH-HUNT!?!? How could it be wrong to recognise the work of others and reward them!?!? TGA's management, do not get any consideration for doing so!!! If this is wrong doing, then humanity has no future!! As a result to the violent attacks that are making our life hell, The Telesio Galilei was compelled to abolish awards.

I take the opportunity to invite IL Sole 24 Ore the cassiopaeadians, the ex-employee to come to London and get the KEYS TO MY ENTIRE LIFE IN ORDER TO VERIFY THAT I AND MY FAMILY ARE SUFFERING WHAT CAN ONLY BE SAID TO BE A 1500 CENTURY INQUISITION PERSECUTION AND EXECUTION.....FOR NOTHING OF THE NONSENSE PUBLISHED IS TRUE !!

I have never met Mr and Mrs Ark and associatesthe only information I could find on them.....is the one made available to the public.
